The 625 Series
Plate size
60 x 40 cm

Optimal accessibility

BAKER 625 - ideal for central production and individual units

The BAKER 625 are refrigerators (M) and storage freezers (F) with a high storage capacity and a simple to use control system. The refrigerator is equipped with humidity control (for chocolate products) and a thawing function.

- Energy saving potential of up to £500 per year/cabinet.
- Unique air distribution system prevents product drying and ensures the cabinet maintains a correct and uniform temperature throughout.
- Electronic control with built-in alarms and emergency programs for optimal food protection.
- Made of stainless steel with 20 pairs of supports for bakery plates 60 x 40 cm - side on.
- 2 bright halogen lamps.
- Automatic door closing, right hand hinged reversible door with lock.
- Replaceable door gasket.
- Options:
„Berliner Plate size“ (63 x 47 cm), special supports for transport baskets.

TYPE	BAKER M 625 Refrigerator	BAKER F 625 Bakery Storage Freezer
