

The specialist for storing high-quality bakery products

The BAKER 625 series comprises top-quality refrigerator/freezers featuring competitive prices and economical operation. They are available in white or stainless steel. The 20 angle rails for baking plates (60x40 cm) can be used individually.

Intelligent control

The electronic control ensures high reliability. The large display makes it possible to read the temperature from long distances. The simple control system has built-in alarms and emergency programs that maintain temperature until any faults are remedied. The innovative air recirculation system ensures uniform cold air distribution throughout the cabinet.

Perfect design

- Integrated, ergonomic handle along the entire door length
- Automatic cabinet light in the form of halogen lamps
- Door lock
- Self-closing door
- Replaceable door sealing strip
- Castors integrated in baseplate
- Replaceable dust and grease filter
- Dry refrigeration (BAKER M 625 only)

Smooth surfaces and watertight connections ensure quick and easy cleaning, safeguarding a high standard of hygiene.

All BAKER 625 cabinets offer extremely low energy consumption. In addition, the environmental impact is reduced through the use of natural refrigerants and HFC-free insulation materials.

Technical specifications

| TYPE | | BAKER M 625 | BAKER F 625 |
|---------------------------------|---------|------------------|-------------|
| Temperature range | °C | -5/+12 | -25/-5 |
| No. of baking plates | | | |
| - 25 mm distance | | 49* (60x40) | |
| - 50 mm distance | | 25* (60x40) | |
| - 75 mm distance | | 17 (60x40) | |
| - 100 mm distance | | 13 (60x40) | |
| Energy consumption in cl. 3 | KWh/24h | 1,0 | 4,0 |
| Electrical connection | V/Hz | 230/50 | |
| Wattage | Watt | 263 | 425 |
| Refrigeration capacity at -10°C | Watt | 389 | - |
| Refrigeration capacity at -25°C | Watt | - | 475 |
| Climate class, max. | | 5 | |
| Refrigerant | | R290 | |
| Capacity, gross | l | 625 | |
| Capacity, net | l | 571 | |
| Width x Depth x Height | mm | 815 x 731 x 2000 | |
| Diagonal | mm | 2160 | |
| Weight, gross | kg | 160 | |
| Relative air humidity | % | 65/92 | |

Data in accordance with EN 441. Gram reserves the right to alter specifications without notice as a result of product development.
